Secretary to the Government of Mysore,
Development Department, BANGALORE.

SIR,

In continuation of this office letter No.P.2621, dated 6th Jan. 1939, regarding the formation of a Technical Library in the Press, I beg to submit the following proposals for the formation of a -- General Reading Room and Library for the benefit of the employees of the Press.

Out of two copies of all publications registered in the State, one copy is now being forwarded to the Government Training College, Mysore. The other set of copies are sent to the Director of Public Instruction in Mysore, Bangalore, for selection of important books for permanent preservation or for a time only and for weeding out other publications for supply to the Hospitals in Bangalore and Mysore, for the use of the in-patients or for destruction, as prescribed in Government Order No.G.8695-7/P. & S.83-35-1, dated 23rd April 1936.

I beg to submit that one of these two sets of books supplied may be ordered to be retained in this office and made available for the use of the Press employees in the Government Press. Rules for their issue will be drawn up and the employees ~~requested~~ required to replace books lost by them. As most of the employees are too poor to afford subscription to a public Library, the issue of books to them free of payment would be appreciated by them and it will improve their -- literary equipment and general information and incidentally enhance their capacity for good work.

Copies of newspapers which were being received in exchange for

P. T. O.

for the Gazette were formerly available in the Press. They have been ordered to be supplied to the General and Revenue Secretariat Library. These copies may be ordered to be supplied to the Gazette office as before. They will be made available to the Press Employees and will be appreciated by them.

The Library and Reading Room will be open only from 2 to 2-30 p.m. which is the Lunch Interval for the Employees, and care will be taken to see that books are lent out and returned only during this period and that the working hours of the Press are not trenched upon by the Library work.

I have the honour to be,

S i r,

Your most obedient servant,

25/1/39

Superintendent,
Government Printing.
